

*Meridel thanks you!*

Shalom Dear Friends:

We Rawlings are biblical enough to believe in the tremendous value to families working together; grandparents, children and grandchildren. Above photos see Chris and David, my two eldest sons; both are exceptional professionals in media. They 'caught the vision' and took time out to help me with my work in Nepal. I reach out to the untouchables; those shunned by mainstream society and Christianity. I speak of the sexually abused and trafficked. I love my work and am determined to bring healing that will give them a global voice.

Below: photos of our work in a Nepali village.

### Introducing:

mary jane doria molina [mjane17173@yahoo.com](mailto:mjane17173@yahoo.com)

I am asking you to take any offering that I will send on to Mary Jane Molina for her work with unreached tribal people. We have known her for over 20 years. She, her daughter and team work in tribal areas of the Philippines with unreached people who have never heard of a God of loving-kindness. In the eyes of most it is a very difficult and thankless task. She is vulnerable, yet blessed with many open doors. **I love her heart, and her sacrificial life changing work. It is not dissimilar from mine.**

I understand Mary Jane. She needs our help. Here is her latest letter to us.
