

Still Small Voice from Jerusalem

Shalom, Shalom dear friends who pray.

Today is Israel's 67th **Independence Day** since her rebirth in 48. She dates back 5775 years... cause for joy!

Our Trip to Canada

Over the next 3 months we have 40 meetings many of you face to face. We look forward to the meetings; in some cities several communities will gather together. There is a lot of interest due to increased uncertainty caused by the dark-times we are all experiencing. We have assurance that God's timing is perfect!

My work in sexual abuse appears once on the schedule due to its sensitivity. I will also give several 'one on one' counseling sessions. While in Ottawa we will interview MP Joy Smith. She has spoken out repeatedly on prostitution and human trafficking in Canada. She stands very much alone. Young girls are missing across Canada at an alarming rate especially among the First Nations.

We will show excerpts from these three up-coming documentaries.

1. **"Expose' of Sexual Slavery and Human Trafficking"**, filmed on location in Nepal, Switzerland, Germany Israel and Canada. Tell your friends. Your questions are important.

2. **"Standing Shoulder to Shoulder - The Untold Story of the Founding of the International Christian Embassy"** in Jerusalem -Sept 1980. That was 35 years ago. Jay and I are two of those original founders.

3. **"Abandoned No More"** Seven years in the making, this is the heart rendering saga of Michael Dobuol. It is a timely movie considering the current suffering of "illegal immigrants" and refugees filling today's headlines. Michael, born in a Christian village in the south of Sudan, witnessed his village slaughtered by radical Islamists. He was taken as a slave for 10 years and when threatened with death unless he converted to Islam, he escaped as a teenager to Cairo. After more persecution he finally made his way to Israel. We met him working as a janitor in a hotel. We felt to help him and applied for his Permanent Residence Visa at the Canadian Embassy in Tel Aviv. While waiting for an answer and because of the influx of 60,000 more Africans he and his lovely Sudanese wife and three sons were expelled to a very unstable and unsafe South Sudan. From there he had to flee to Ethiopia. and lived in a squalid refugee camp. Jay and Daniel flew to Ethiopia from Israel and found him and his family in pathetic conditions. They lost two children there. Jay helped him appeal to the UNHCR and to move his application papers. Then they waited and waited and waited. They were finally granted Permanent Residence to Canada in March and **this April 14th, Michael, his wife Nicole and 5 children arrived safely in Toronto.**

We will be together with them in Toronto May 15, 16 and 17 in Canada. Praise God!!!

Here is the promise the LORD gave us for the upcoming journey to North America.

Behold I have set before you an open door. Revelation 3:8

The Jewish people and Nation of Israel have now passed 70 years since the Holocaust. God is speaking today. It is blatantly evident that those who hate the Living God, are out for blood. In the Middle East it is the blood of Christians, and war exists between Muslims. But worldwide Jewish blood is what Satan demands. Anti-Semitism has risen globally by 400% from Dec. 30th 2014 to April 1st 2015. This flourishing, satanically inspired hatred, is absolutely deadly. Watch this clip 5 minutes 24 seconds... its REAL!
