

Still Small Voice

Shalom Dear Friends,

December 2015

I bless you for taking this letter to heart. 2015 was action packed. Jay gave 65 lectures across Canada, his topics: *Israel, World Terror Revival and You*, and *Israel the Nations and the Future*. Spiritually we dug gravel and mud in the 'river beds' (churches) but God said He would send refreshing rains and new life in the days ahead. Canada needs prayer. We also worked in Nepal, Germany and Switzerland. Our eleven adopted Sudanese were liberated to Canada, after fighting for their freedom for 8 years. We published *Love My People, Timeless Secrets Vol. 1*. and are writing volumes 2 & 3.

Nepal January 2016

We need to order 3 return flights Tel Aviv - New Delhi India and Kathmandu Nepal where we will be very busy this January, God willing. We have not purchased the tickets, nor do we have an expense account for food and hotels and filming. We are going to my adopted daughter Indira, a Christian political scientist, and social activist who has rescued more than 90 children from brothels. She is fearless and Spirit led. I have the opportunity to impart to her and her people all that I have learned from my personal experience, studies and 4 decades of experience working with the traumatized, sexually abused, and predators. She can also teach me much. Daniel will be in charge of filming, and our eldest granddaughter Maya, an A-student has been given permission by her parents and school to come and be

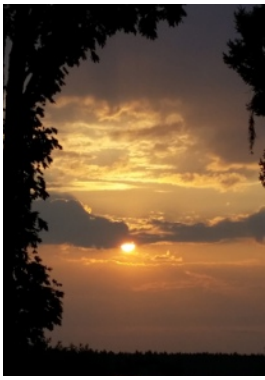

Daniel's sound person. She will never be the same again and also has much to give. It is such an enormous privilege. Children get top priority. Traditional Christian circles are opening for instruction on the taboos of abuse. Doors have also opened in New Delhi India for television work, thanks to the faithfulness of my son Chris, also my web designer. But, without your immediate help I will not be able to take my crew, so thank you for considering this challenge. Pay Pal is the quickest way to give, but any and all venues are open. We plan to do weekly updates on the web and share the challenges and triumphs with you, my donors. It really is very exciting and PRAY with me for this film to come to completion.

PRAY without ceasing for the ordinary people of Israel and the world.

Jews have lived for centuries with taunts and threats. Its 'wearing' to sustain continual abuse. Five times a day we hear the muzzin chanting curses over Israel. Some Palestinian young people have gone mad. In 46 years we have never felt the level of fear and suspicion that is prevalent in our streets today. Jay and I still shop at Mahane Yehudah market. Everyone is a target, especially the old, infirm, religious, security personel and soldiers. Seeing is believing, the attacks are a kind of insanity unleashed. We never know when or where they will come. There are security cameras all around, and the public are very good at taking cell phone movies of attacks. There is video evidence that attackers knife their victims, or run them over with cars. Every bus stop is a possible death trap. Newscasters have become slick at raising 'doubts' as to Israel's integrity. It is so distressing to listen to the lies. Fighting in self defence to protect your life from a killer is not murder. What a horrible position we have been placed in by irresponsible rebels for generations now supported by the world; Palestinian youth. Terror is a daily reality in Israel, and now France, Belgium, UK, Russia and America. Canada tries to remain neutral...

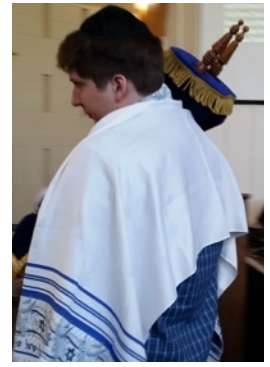

What ever a man sows, this he will also reap.
Those who plow iniquity and those who sow trouble harvest it.
They sow the wind and they reap the whirlwind. Gal. 6:7, Job 4:8, Hosea 8:7. Terrorists are agents of death, they HATE life, and with every victim in Israel or France or the Sinai, they stick their finger in the eye of Father God.

Refrain your voice from weeping and your eyes from tears... There is hope for your future says the LORD. That your children shall come back to their own border. Jeremiah 31:16a. 17.

God gave this to the Jew first; just think of those innocent refugees in camps in Jordan, Iraq, Turkey, Lebanon and Europe. Could the LORD not make a way to heal these war torn lands?

Daniel carrying Torah scrolls

I will bring them to their own land. Ezekiel 34:12a-25.
If those ordinances [sun, moon, stars] depart from before Me, says the LORD, Then the seed of Israel shall also cease from being a nation before Me forever. Jeremiah 32:35

The words of the LORD are pure words, like silver tried in a furnace of earth, purified seven times. You shall keep them, O LORD, You shall preserve them from this generation forever. The wicked prowl on every side, when vileness is exalted among the sons of men. Psalm 12: 6-8

All these are the beginnings of sorrows. Then they will deliver you up to tribulation and kill you, and you will be hated by all nations for My name's sake. Matthew 24: 7,8. Jeremiah 30:7. Daniel 12.

For the Lord has founded Zion, and the poor of His people trust in it. Isaiah 14:32

2015 is the year of warfare and refugees not seen since WW11. Christian smugness of Israel's rightful place is just as deadly than Islamic Jew hatred. Pause and think of that this Christmas! Our beloved Messiah, holds the keys to Redemption and He gave them to us. See my letter enclosed. Don't ever think Abba has forgotten his first-born Israel. The Eternal truth of Scripture turns the UN, and all nations, including the Arab nations on their heads! Why? **The Jew belongs to the land of Israel, and the land of Israel belongs to Almighty God.** His signature is here inscribed in blood. But as He allows Jews to escape to Israel, can He not made a way for the 60,000,000 world refugees?

Replacement Theology, Christian? Muslim?

This biblical right of Jews to live in the Land of Israel, underlines the very heart of the conflict raging over Israel today. Christendom has joined in 'the divestment' of Israel because they are ignorant of the Word. Biblical concepts are outrageous to luke warm Christians and radicalized Muslims. Their divestment of modern Israel supports the Palestinian propaganda. The conflict is global, Islam is moving toward complete globalization. If your evening news, is carried by CNN, BBC, France 24, Aljazeera or Bloomberg, by now you are acquainted with biased anti-Israel news reports and alluring commercials promoting the glories of the oil rich Arab world, **where there is no human rights and NO refugees** being taken in. We in Israel are living witnesses of daily horrors in destroyed Syria on our N E border. Europe is now inundated with a tide of desperate Muslims, most innocent. The EU is ill prepared for what is over taking them. Satan is roaring. Call his bluff and share this Christmas with Muslims. The truth is, if believers don't stand up, they will be trodden under the feet of men; salt with no savor. We must not shut up but speak up. Jesus heals hearts and nations.

What will one then answer the messengers of the nation?

That the Lord has founded Zion and the poor of His people shall take refuge in it. Isaiah 14:32. Hallelujah!

Jay and I and sons are 'poor' in that we have staked our lives on this truth. In spite of on going pressure, do you realize that according to scripture Jerusalem is one of the safest places on the planet! This is a mystery. East Jerusalem is a different matter entirely, located in Judah. The conflict will grow, settlements are in Judah, West Bank. See Matt 24:16

Dear praying Christian, be a spokesperson for the nation of Israel.

Only Christians speak for Israel, God bless and encourage YOU! Share the Word, our newsletters, websites and Jay's DVD's series on Terror. The stark reality in our swiftly changing world is that Israel's only true and faithful friends are **Christians**. That is how important your prayers and influence is. With terror increasing, you may be called to help Jews return home to Israel. Thank you for believing the written Word, settled forever in heaven. Use it, guard it, believe it! Let it lead and guide you. The Word is our final Authority! **For my eyes have seen Your salvation which You have prepared before the face of all people, A light to bring revelation to the Gentiles; and the glory of Your people Israel.** Luke 2: 30-32

Kumran Israel, scroll containers.

My Prayer For You in 2016: **Consider Him who has endured such hostility [contradiction] from sinners against Himself, lest you become weary and discouraged in you souls.** Heb.12:3
