One quarter of humanity is shamed and stained by sexual abuse.

I was told, "Beware of strangers."  
But never: "Beware of family ..."

Just two people:

The Enabler, the Predator, create the Victim!

Body, soul and spirit battered

Innocence shattered.

Left all alone ...

How to escape

Secrets, Abuse, Incest, Neglect, Torment,

Lies,

Sinister family,

The next door neighbour,

Untrustworthy mentors,

Unscrupulous authorities,

The dark web

And self-hatred?

Stain Remover turns madness into meaningful Life.

"Meridel Rawlings writes with authority. Her way is deeply spiritual and scientific alike." Irmeli G-B Schüz, MD, Psychiatrist, Psychotherapist

Meridel Rawlings Ph.D.

## About the Author:

Meridel Rawlings Ph.D. a Canadian-Israeli dual citizen, is a researcher, author and therapist. An educated survivor of child sexual abuse she works with experience and authority. In 1991, Swiss psychologists and psychiatrists listened as she spoke out, fearlessly championing the cause of freedom for victims.

**“Stain Remover”** is her latest exposé on the subject. Her life-experience began as a “hunted” child in a religious family. Meet the cover-up of “family honour”. Explore the cunning manipulation of “good” people. Check out your own family tree. Answer her penetrating questions. Surprisingly, her counselling chamber quietly opens into a global outreach.

Meridel not only listens, but hears what others do not. She facilitates lasting change. This volume is not for the faint of heart. You will witness the madness and isolation of mutilated lives. Experience vacant souls nurtured out of death-like traumas. Her healing gift navigates through frozen wastelands bringing meaningful Life.

Meridel is married 53 years, the mother of four sons and nine grandchildren.

## Endorsements

“Meridel Rawlings writes with authority. Her work is both deeply spiritual and scientific alike. She is a vivid example of resilience, as she encounters herself first, in order to gain real freedom for others. No wonder her enthralling book “Stain Remover” makes a thorough impact. She verbalises how to encounter even an incommunicative, catatonic victim and see her change into a warm and vibrant servant of humanity.”

“Everyone ought to read this book. Learn how to gain a deeper understanding of oneself first and then others. She inspires by experiencing the strength that changes hearts: the love of Messiah.”
